Result of Best Oral Paper Presenter

TECHNICAL SESSION 2

First Position:
Presenter: Mansi Vaid
Institution: University School of Environment Management, Guru Gobind Singh Indraprastha University
Title of Paper: Investigating the effects of point source pollution on the water quality of Najafgarh drain, Delhi

Second Position:
Presenter: Shubham Bhattacharyya
Institution: Immunopharmacology and Molecular Cell Biology Laboratory, Department of Zoology, University of Gour Banga, Malda
Title of Paper: Utilization of an aesthetic plant, Clerodendrum thomsoniae as a potent redox modulation counteracting agent

Third Position:
Presenter: Parul Anand
Institution: Institute of Training and Research in Ayurveda, Jamnagar, Gujrat
Title of Paper: Vrikshayurved: A Boon to Sustainable Cultivation Practices

----------------------------------------------------------------------------------------------------------

TECHNICAL SESSION 4

First Position:
Presenter: Rajesh K. Sharma
Institution: Department of Botany, Banaras Hindu University, Varanasi
Title of Paper: Heavy metal accumulation and growth response of Phaseolous vulgaris L and Spinacia oleracea L. crops grown on soil amended with municipal composts under mountain ecosystem

Second Position
Presenter 1: Siddhartha Kaushal
Institution: Ecology & Ecosystem Research Laboratory, Department of Botany, University of Delhi
Title of Paper: Soil properties show variable patterns under different seasons and depth in upper-temperate and sub-alpine forest types of the Indian Central Himalayas

Presenter 2: Sovan Debnath
Institution: ICAR–Central Institute of Temperate Horticulture, Regional Station-Mukteshwar, Nainital, Uttarakhand
Title of Paper: Is temperate fruit-based farming implicating soil mining of nutrients in fragile lands of mid-Himalayan ecosystem?
TECHNICAL SESSION 5

First Position:
Presenter: Rose Rizvi
Institution: Section of Plant Pathology, Department of Botany, Aligarh Muslim University
Title of Paper: Role of Biosynthesized Copper Oxide Nanoparticles (CuONPs) in the Management of Wilt Disease Complex in Lentil

Second Position:
Presenter: Vinod Kumar Yadav
Institution: A Fisheries Economics, Extension and Statistics Division, ICAR-Central Institute of Fisheries Education Mumbai
Title of Paper: Trend analysis of future projection of Climatic Parameters and their possible impact of vulnerability on fishing communities: a case study of Dimbe and Bhavanisagar reservoir of Maharashtra and Tamil Nadu, respectively

Third Position:
Presenter: Parminder Kaur
Institution: Department of Economics and Sociology, PAU, Ludhiana
Title of Paper: Crop Residue Burning in Punjab - Environmental Implications and Potential Solutions

TECHNICAL SESSION 7

First Position:
Presenter: Guru Sai Krishna Vidhata
Institution: Amity Institute of Global Warming and Ecological Studies, Amity University Uttar Pradesh
Title of Paper: Burn severity Mapping and Forest Fire Risk Zone Mapping of Nilgiris sub-Division, Baleshwar District, Orissa, India

Second Position:
Presenter: Bhokam Pal Singh
Institution: Department of Botany, Govt. Degree College, Basohli, J&K
Title of Paper: Ethnobotanical survey of traditional agricultural tools (TATs) used by sippi tribe of 3 remote villages of Bhaderwah (J&K), India

Third Position:
Presenter: Sangeeta Srivastava
Institution: Teachers Education Department D.A.V. (PG) College Muzaffarnagar
Title of Paper: A Study of Solid Waste Management and need of Re-framing the Curriculum of Education: An Overview of Muzaffarnagar City (UP)
First Position:
Presenter: Deepa
Institution: Department of Basic and Applied Sciences, School of Engineering and Sciences, GD Goenka University, Gurugram, Haryana
Title of Paper: Biocompatible Metal Nanoparticles from Kitchen Waste and Its Characterization

Second Position:
Presenter: Mohd Amir
Institution: Department of Biochemistry, Faculty of Life Sciences, Aligarh Muslim University, Aligarh
Title of Paper: Study on the Interactions of Anti-Cancer Drug Erdafitinib with Human Serum Albumin using Molecular Docking and Spectroscopic Techniques

Third Position:
Presenter: Asmita Gupta
Institution: Department of Botany, Daulat Ram College, University of Delhi
Title of Paper: Recent developments in Phytoremediation-inclusive advanced wastewater treatment technologies

First Position:
Presenter: Manju Singh
Institution: Department of Zoology Raghunath Girls PG College, Meerut
Title of Paper: Effects of Environmental Toxicants on COVID-19 among the Children and Adults

Second Position:
Presenter 2: Neelam Baghel
Institution: Department of Chemistry, Faculty of Science, Dayalbagh Educational Institute, Dayalbagh, Agra
Title of Paper: Impact of Diwali Festival on Volatile Organic Compounds, PM2.5, Trace Gases (CO, NOx) and Formation of Tropospheric Ozone at Sub-Urban site, Agra

Presenter 1: Amit Singh
Institution: Department of Forestry and Wildlife, Amity University, Noida
Title of Paper: Impact of Urbanization of High dense, Medium dense and Low dense urban region on Wetlands of Delhi-NCR region using Landsat Satellite Imagery

Third Position:
Presenter 1: Gunjan Goswami
Institution: Department of Chemistry, Faculty of Science, Dayalbagh Educational Institute, Dayalbagh Agra
Title of Paper: Impact of Covid-19 on Concentration of PM2.5 And Change Air Quality in Agra

Presenter 2: Hardik Gupta
Institution: Amity Institute of Biotechnology, Amity University, Uttar Pradesh Noida
Title of Paper: Analysing the impact of cadmium induced cancer progression in cancer stem cells (CSCs)
TECHNICAL SESSION 6

First Position:
Presenter: Bidisha Sasmal
Institution: Department of Life Sciences, Presidency University, Kolkata
Title of Paper: Effect of Environmental Phthalates and 17β- Estradiol in MCF-7 Breast Cancer Cells

Second Position:
Presenter: Dibyo Mazumder
Institution: Department of Microbiology, St. Xavier’s College (Autonomous), Kolkata
Title of Paper: Phytoremediation: A strategy to biodegrade doxylamine from wastewater

Third Position:
Presenter: Amarjeet
Institution: Jawaharlal Nehru University
Title of Paper: Trends of Trace Elements in Fine and Coarse Particles at Breathing Height over Rohtak, Haryana, India and their Effects on Human Health

--------------------------------------------------------------------------------------------------------------------------

TECHNICAL SESSION 8

First Position:
Presenter: Shivani Rohilla
Institution: Genetics and Tree Improvement Division, Forest Research Institute, Uttarakhand, India
Title of Paper: Screening of superior genotypes of Dendrocalamus strictus for their utilisation in Pulp and Paper Industry

Second Position:
Presenter: Divya Srivastava
Institution: AIIMS Rishikesh
Title of Paper: A Study of Bio Medical Waste Management System in India: An Overview in the Age of Pandemic

Third Position:
Presenter: Kanchan
Institution: Department of Basic and Applied Sciences, School of Engineering and Sciences, GD Goenka University, Gurugram, Haryana
Title of Paper: Tradition versus integrated approaches for the degradation of wastewater contaminants
