

Author Template and Guidelines for Abstract

Title of Abstract for the World Environment Summit 2023

Kemal Sen*¹, Anderson Ferreira²

¹ Department of Food Engineering, Nevsehir University, Turkey

² Department of Agricultural Engineering, HV University, Portugal

*Corresponding author: abcd@gmail.com

ABSTRACT

All abstracts can only be written in **English/Hindi**. The abstract should be submitted in Microsoft Word format. It should start with the paper's title, authors, Institutions name & address, corresponding author email followed by the Abstract's text and the keywords (up to five). **Please, indicate the author who will present the paper by underline**. Abstract should **not** include any table, picture, figure, etc. The abstract should be written in MS Word format in single-spaced in **12 point Times New Roman**. The abstract should be in approx. **250 words**. Authors are requested to submit Abstracts in electronic form (MS-Word) via electronic submission system. Please don't send it in PDF format. The scientific committee will read your abstracts and select the presentation type as oral and poster presentations. However, the incorrect formats may result in your abstract being returned to you by e-mail. Please, do **not** write your references in your abstract.

Keywords: Abstract, Template, up to 5 words arranged in alphabetical order.

Instruction

- Mention only Author/Co-authors first name and surname (do not add titles like Dr, Prof, PhD and designation, etc.);
- Author affiliation and country (just the name of the department and university– do not include faculty, institutional address, PIN code, etc.)
- Define the purpose, research method, result and conclusion of your study.
- Author may mention the subtitle including purpose, research method, result, conclusion & keywords in the abstract within 250-300 words
