ONE EARTH • ONE FAMILY • ONE FUTURE

ABOUT THE SUMMIT

The rapid growth in global population, urbanization, and industrialization has led to several complications such as depletion of natural resources, environmental pollution causing climate change, and potential health risks including scarcity of food and potable water. It is now widely recognized that 21st century is the age of environmental challenges world over, all the countries are facing increasing threat of climate change, pollution, deforestation, disasters, land use change, biodiversity and ecosystem services losses, global hunger, loss of agriculture, environmental health diseases & epidemics and impinging challenges of socio-economic inequalities and development. Increased anthropogenic activities have further escalated the magnitude of these environmental losses. We are witnessing the most severe environmental crisis ever in the history of the Earth. Chances are ripe that if nothing is done soon enough to address these looming environmental challenges, we may be soon facing an existential crisis of life on this planet.

Recently in September 2015, the United Nations adopted the 2030 Agenda for Sustainable Development that included 17 Sustainable Development Goals (SDGs) and 169 inter-linked targets. The goals and targets covered under 2030 Agenda includes poverty eradication, mitigating pollution, increasing reliability and sustainability, ensuring access to clean air, water and energy, sanitation and hygiene, sustainable cities and urbanization, biodiversity conservation etc. A sharp focus was laid to achieving economic, social, cultural, civil, political and human rights under SDGs by removing gender inequality, conflicts, poverty and environmental threats. In 2015, 197 countries also adopted a global agreement on combating and addressing the issue of climate change, known as Paris Agreement 2015.

As per the Paris Agreement, it was decided that both rich and poor countries would take actions to curb the rise in global temperature and also achieve SDGs in a broader perspective. However, it is needless to say that little has been achieved in terms of either achieving Sustainable Development Goals or meeting the targets of Paris Agreement. Every country today faces a huge challenge to supply the energy and employment needs of ever growing population and keeping climate change in check by reducing greenhouse gas emissions. In order to ensure sustainable development, we would have to make informed and scientific choices. For this, there is an urgent need of collaborative effort among various stakeholders in terms of infrastructure development, research and development, development of clean technologies and formulation of a common minimum sustainable development policy.

This **World Environment Summit 2023** would provide such a platform for active deliberations among various stakeholders and would aim to produce actionable suggestions for the policy makers. The main focus would be to build capacities on best practices on affordable, alternative solutions, sustainable and clean energy, sustainable agriculture, climate action, mitigation of green house gases, pollution control and management, restoration of ecosystem services, cure & prevention of environmental health diseases, affordable and sustainable spatial planning techniques and sustainable transport systems. Attempts would be made to explore the inter-linkages between global environmental challenges, human health and sustainable development in light of SDG's 2030, SENDAI Framework 2030 and Paris agreement 2015.

The **World Environment Summit 2023** will be organized in both mode including physical and virtual (Online) mode and the participants may join as per their suitability. The Certificates of participation will be the same. We have designed a separate fee structure for both types of participants.

Important Dates for WES 2023

Last date of registration without late payment:	15.10.2023
Abstract submission deadline:	15.10.2023
ESDA Green Award applying deadline:	15.10.2023
Full length paper submission deadline:	31.10.2023
Conference dates:	4, 5 & 6 November, 2023

Note: Following dates are mandatory and strictly followed by Organizing and Publication Committee.

SUB THEMES OF THE CONFERENCE FOR ABSTRACTS

1. Sustainable Development:

• Sustainable Development Goals • Sustainability Science • Carrying Capacity based Planning for Sustainable Development • Sustainable Smart Cities • National Health Policy-2017.

2. Water Conservation and Management:

Conservation of River, Ponds, lakes, wetlands & ground water • Rainwater harvesting • Water scarcity • Water conflict • Floods • drought • desertification • Declining of ground water tables • Smart technology & innovation in water & wastewater treatment • Water management in industries and agriculture activities • Govt. Initiatives- Nammami Gange, NGBRA, NMCG • National Water Mission • Jal Shakti Abhiyan

3. Climate Change:

Global Warming • Clean Development Mechanism (CDM) • Green Buildings • Impact of Climate Change • Global initiative for mitigation of green house gases • Net zero • Environment, social & Government (ESG) • Decarbonization road map for industry .

4. Environmental Pollution and Solution:

Air Pollution • Water Pollution • Soil Pollution • Noise Pollution

5. Environmental Health Diseases:

Respiratory diseases • Waterborne disease • Cancer • Skin diseases • ENT Diseases • Geriatric Medicine

6. Solid Waste Management:

Municipal waste • e-Waste management • Industrial waste • Hazardous waste • Bio-medical waste • Agriculture waste • Swachh Bharat Abhiyan

7. Environmental Economics:

Green Economy • Eco Commerce • Green Accounting • Green Jobs • Green Trading • EIA • CSR • Green GDP • Eco-tax

8. Sustainable Agriculture

• Traditional agriculture • Indigenous Agriculture • Organic Agriculture • Regenerative Agriculture • Sustainable Irrigation • Permaculture • Agroforestry • Horticulture • Mixed farming • Multiple cropping • Crop rotation • Ecological farming • Organic farming • Soil erosion

9. Environmental Law and Policies

10. Environment and Socio-Economic-Cultural facets

11. Biodiversity Conservation, Ecosystem Services, Ecotourism and Livelihood

12. New & Renewable Energy, Natural Resource Management and Afforestation

13. Natural hazard and Disaster Management as Transdisciplinary Approach

14. Environment change-Industry linkages, impact on Health, Technologies and Social action

15. Technological Innovation in Industrial Environment, Health & Safety (EHS), Effluent Treatment Plants (ETP), Sewage Treatment Plants (STP), CETP, Air Pollution Control Devices, Instruments, Purifies

16. Environmental Challenges, Community Resilience and Regional Development

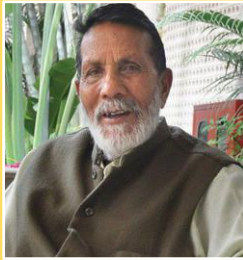

17. Environmental Communication, Citizen Environmental Activism, Evidence based outcomes and Policy Intervention

18. Air, Water, Food and Land Systems: Future Challenges and Pathways for Developing World

19. Public Policy for Food Security, Water Access and Sustainable Development

20. Environmental Migrant • Environmental Biotechnology • Toxicology • Microbiology • Immunology • Environmental Chemistry • Food Technology • Earth Science • Climatology • Oceanography • Hydrology • Biochemistry • Forestry and Horticulture.

SPECIAL FELICITATION OF THE EMINENT PADMA AWARDEES DURING THE WES 2023

Padma Bhushan
Shri Chandi Prasad Bhatt
Environmentalist & Founder,
Chipko Movement, Uttarakhand

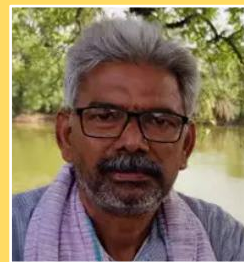

Padma Bhushan
Dr. Anil Prakash Joshi
Environmentalist & Founder,
HESCO, Dehradun

Padma Shri
Mr. M. C. Mehta
Environmentalist and Green Lawyer
Supreme Court of India, New Delhi

Padma Shri
Raja Lakshman Singh
Water Conservationist, Lapodiya Garh
Jaipur, Rajasthan

Padma Shri
Uma Shankar Pandey
Water Warrior and Convener
Jal Gram Medbandi Abhiyan, U.P.

ABOUT Galgotias University

The Galgotias University stands as a testament to educational excellence. It traces its origins to the academic session of 2011-2012 under the auspices of the Smt. Shakuntala Educational and Welfare Society. Since that momentous inception, the university has witnessed remarkable growth, with its student body swelling to encompass more than 30,000 eager minds. Today, Galgotias University is a towering institution of learning, with 17 distinct schools offering an expansive array of over 200 programs. These programs span the educational spectrum, encompassing Polytechnic, Undergraduate, Postgraduate, and PhD courses.

The university's prowess in innovation and research is further underscored by its remarkable recognition in the ARIIA Ranking 2021, where it earned the distinguished label of an "Excellent" institution. With an impressive portfolio boasting over 10,000 publications and an astounding 1700+ patents, Galgotias University stands as a veritable crucible of innovative ideas and discoveries. The university's accolades extend far and wide, with over 300 national and international awards to its name (<https://www.galgotiasuniversity.edu.in/>).

CALL FOR ABSTRACTS AND FULL LENGTH PAPERS

The participants are invited to submit their abstracts and full-length papers on the theme and sub themes of the Summit (Conference). The abstract should be within 250-300 words in English font 'Times New Roman' with size of '12'. The oral / poster presenter's name should be underlined in the abstract. The full-length paper should be within 3000-4000 words in length, including an abstract (about 300 words) and 4-5 keywords (visit website for guidelines for authors). The abstracts will be released in 'Souvenir and Abstract Book' on 4th November, 2023 in the Inaugural Session of the Conference, while selected full length papers will be published in 'UGC Listed / Scopus Journal' or 'Proceedings of the Conference or Edited Book of Elsevier/ Springer/ International Publication. The participants may send their abstracts by **15th October, 2023** and full-length papers by **31st October, 2023** online to conference.esda@gmail.com. The abstract submission facility has also given on the website. For more details, please visit website: <http://www.esdaindia.org/wes2023>

For more details, please visit **website: <http://www.esdaindia.org/wes2023>**

Poster Presentation

We invite participants to present their posters during the conference. The poster should be related with the topic and sub themes of the Conference. The poster size should be 2x3 feet. Each participant will receive a certificate. Interested participants may send their abstracts as per details given above. **The participants may present their papers by oral/poster in physical and virtual mode during the Conference as per their suitability. We will provide both platform.**

Accommodation and Transport

The Organizing Committee of the 4th World Environment Summit 2023 will arrange some rooms in the guest house hotels near the venue for the accommodation of the keynote speakers and guests. But we do have not a government grant or corporate sponsorship to provide the accommodation to all speakers and paper presenters. Therefore, most participants will have to pay for the accommodation themselves. The organizing committee will help/facilitate booking the rooms in hotels for participants if contacted in advance. We have tied up some hotels and guest houses for the participants at discount rates at Greater Noida near Pari Chowk. Interested participants email conf.esda@gmail.com for requirements of their accommodation with details of exact dates, number of days to stay, and double/single occupancy as soon as possible or by 15 October 2023.

The Organizers will provide transport (pick up around 9.00 a.m. and drop off at 5.30 p.m.) to all delegates from Pari Chowk, Greater Noida (Bus Stand / Metro Stand) and their hotels to the venue of the event (Galgotias University). The participants may also use Ola/Uber taxi and Auto-rickshaw at a personal level which is available very cheap price. The Organizers are very dedicated to facilitating your transport and accommodation, and providing you best hospitality with limited resources. You may contact our coordinators/volunteers regarding transport and accommodation:

Dr. Kamal Singh (9718256267) | Mr. Ritik Kasana (9818624031) | Mr. Balkishan Saphipur (9313102977)

WORLD ENVIRONMENT SUMMIT 2023 Award

The Organizing Committee of WES-2023 will confer the following awards during the conference:

- SHRI SUNDERLAL BAHUGUNA MEMORIAL AWARD 2023**
- WORLD ENVIRONMENT SUMMIT 2023 - Best Oral Presentation Award**
- WORLD ENVIRONMENT SUMMIT 2023 - Best Poster Presentation Award**

ENVIRONMENT AND SOCIAL DEVELOPMENT ASSOCIATION (ESDA)

Environment and Social Development Association (ESDA) Delhi is a non-government, non-profit national based voluntary organization, registered under Societies Registration Act-XXI of 1860 in Delhi on 23rd July 2004. It is also registered in NITI Ayog & CPCB Delhi and having 12AA and 80G certificates of Income Tax Department of India. ESDA is principally dedicated to enhancement of research and public awareness on preservation and up gradation of environment and management of all forms of air, water, waste and river conservation, plantation, tree protection, sustainable development, social upliftment, gender equality as well as providing platform for "**Beti Bachao Beti Padhao**" (Save Girl Child) movement by more than 1500 life and patron members from diverse fields of specialization in more than 15 States of India. Its main aims and objectives include educating and creating awareness about environmental and social issues among young minds, students, researchers and general public; setting up regional and state chapters to organize different academic, scientific and mass awareness activities such as National/International level conferences, symposia, seminars, workshops, trainings, meetings, Street Plays etc. on the themes of environmental concerns. For more details of the activities and membership procedure of the society are given on website:www.esdaindia.org.

- Special 25% discount for Institutional & Volunteer Organizations

Note: All details are made available on conference official website: <http://www.esdaindia.org/wes2023>

ESDA GREEN AWARDS 2023

(Annual Awards of Environment and Social Development Association Delhi)

The ESDA Green Awards consists of a sculpture & plaque. These Awards recognizes and promotes individuals (Distinguished Faculties, Environmentalists, Visionaries, Activists, Scientists, researchers, Innovators, Entrepreneurs) and organizations who have made a significant contribution in the area of environmental protection, environmental science & its multidisciplinary subjects, environmental engineering & technology, social sciences, agricultural sciences, environmental economics, environmental health diseases, environmental biotechnology & microbiology, education, prevention of social evils, women empowerment, human rights, poverty and social development through teaching, leadership, activism, services, research, innovation and technology. The ESDA Society will be conferred ESDA Green Awards 2023 during its annual international conference (ESDACON) – 4th World Environment Summit 2023 on 4th, 5th & 6th November, 2023.

The recipients get citation, certificate, memento and a medal.

1. ESDA Lifetime Achievement Award 2023

Eligibility Criteria: Age: 60 years or above ❖ Only nominated by the Governing body member
❖ Distinguished Faculty, Environmentalist, Visionary, Activist, Scientist, Innovator, Entrepreneur.

2. ESDA Fellowship Award 2023 (F.E.S.D.A)

Eligibility Criteria: Age: 45 years or above Patron member of ESDA ❖ Professor/Director/Scientist F or Associate Professor / College Principal/ Scientist-E position over a minimum of 3 years;
❖ Tremendous academic record with publication, patents, research projects & thesis of Ph.D. scholar.

3. ESDA Global Green Award 2023

Eligibility Category: Distinguished world-fame Faculty, Environmentalist, Visionary, Activist, Scientist & Innovator, Entrepreneur (Preference for foreign nominees)

Eligibility Criteria: Age: 50 years or above ❖ Nominated by the Governing body member
❖ Patron member of ESDA may apply directly.

4. ESDA Environmental Excellence Award 2023

Category: Faculty, Environmentalist, Visionary, Activists, Scientists & Innovators, Entrepreneurs
Eligibility Criteria: Age: 45 years or above v Patron member of ESDA ❖ Faculty has a position over a minimum of 20 years of tremendous academic record with publication, research projects & thesis of Ph.D. scholar.

5. ESDA Eminent Scientist Award 2023

Category: Scientist and Faculty of Science in Higher Education.

Eligibility Criteria: Age: 45 years or above ❖ Patron member of ESDA ❖ Professor/Director/Scientist F or Associate Professor / Scientist E position over a minimum of 3 years or retire from an eminent position.

6. ESDA Academics Excellence Award 2023

Category: Academician (Scientist and Faculty of Science and Humanity)

Eligibility Criteria: Age: 40 years or above ❖ Patron member of ESDA ❖ Ph.D degree holder
❖ Associate Professor / Scientist E position or Assistant Professor/ Scientist C position over a minimum of 10 years of experience with excellent academic record.

7. ESDA Women Empowerment Award 2023

Category: Academician, faculty, Visionary, Activist, Scientist, Innovator, Entrepreneur, Social worker, Politician, sports person, Doctor, Engineer, other professional.

Eligibility Criteria: Age: 40 years or above ❖ Patron member of ESDA ❖ Highly educated and hold distinguished position in reputed organization/industries ❖ Remarkable contribution to the Society and Nation ❖ Recognized Leader and an achiever in their respective field.

8. ESDA Senior Scientist Award 2023

Category: Academician (Scientist and Faculty Higher education)

Eligibility Criteria: Age: 40 years or above ❖ Patron member of ESDA ❖ Ph.D/M.Tech/MEE/M.D. degree ❖ Nominee must have a faculty position with minimum of 10 years teaching or research experience with tremendous academic record.

9. ESDA Education Excellence Award 2023

Category: Only for Teacher (Teachers of School/College/University)

Eligibility Criteria: Age: 35 or above v Patron or Life member of ESDA v Nominee must have a faculty position with minimum of 10 years teaching experience with tremendous academic record.

10. ESDA Green Leadership Award 2023

Category: Faculty, Environmentalist, Entrepreneur, Organization, industry, institution.

Eligibility Criteria: No age ❖ Patron/Life member of ESDA ❖ Significant contribution to the Environmental protection & Social development; and tremendous efforts for environmental challenges and social issues.

11. ESDA Environmentalist Award 2023

Category: Environmentalist, Scholars, Activists, Visionaries

Eligibility Criteria: ❖ Patron/Life member of ESDA ❖ Significant contribution to the Environmental protection.

12. ESDA Young Scientist Award 2023

Category: Academician (Scientist, faculty, researcher)

Eligibility Criteria: Age: 40 years or below ❖ Patron/Life member of ESDA ❖ Ph.D/M.Tech/MEE/M.D. degree.

13. ESDA Young Researcher Award 2023

Eligibility Criteria: Age: 35 years or below ❖ Patron/Life member of ESDA ❖ Pursuing Ph.D degree

14. Safety Professional Excellence Award 2023

Category: EHS (environment, health & safety) manager, Safety manager, Safety officer and safety entrepreneur.

Eligibility Criteria: Age: 40 or above ❖ Patron member of ESDA ❖ Remarkable contribution to the Environment, Health & Safety management in reputed organization with minimum of 10 years working experience.

15. ESDA Green Technology Award 2023

Category: Nominee maybe industries/organizations/institutions including manufactures, operation, pharmaceuticals, construction, service, health, environment, safety, energy, consultancies along with laboratories, hospitals, institutions, Trusts, NGOs that are engage in environment friendly product manufacture, operation & services to environmental protection.

INSTRUCTIONS

- ❖ There are approx. 75-80 awards that are reserved for ESDA Life and Patron members except some extraordinary personalities that names will be recommended & nominated by governing body members of ESDA.
- ❖ There are no any applying or processing fees of the ESDA Award.
- ❖ All ESDA awards are totally free as an honor and it decide on the merit base including candidate profile, work-done, achievements and efforts for ESDA.
- ❖ The Award Committee members scrutinize the nominations / applications received from various dignitaries for the ESDA Award, and then communicates the process of final selection with due consent of the applicant.
- ❖ Conference and award ceremony organize on the basis of no-profit & no-loss with the help of participants. Society has no any government or corporate grants.
- ❖ The nominal event charges are applicable on the awardees in favor of expenses for event organize including venue booking, foods and other.

NOTE:

- ❖ Please explore ESDA website for detailed guidelines and eligibility of ESDA Awards
- ❖ Last date for applying ESDA Awards 2023 is **15th October, 2023**
- ❖ Link of Award application form: <http://www.esdaindia.org/wes2023>
- ❖ Conference and award ceremony organize on the basis of no-profit & no-loss with the help of participants. Society has no any government or corporate grants.
- ❖ The nominal event charges are applicable on the awardees in favour of expenses for event organize including venue booking, foods and other.

MEMBERS OF ORGANIZING COMMITTEE (BRAC, UNIVERSITY OF DELHI)

MEMBERS OF ORGANIZING COMMITTEE (Galgotias University)

VENUE OF THE SUMMIT

About Conference Venue

The World Environment Summit 2023 will be held at the **Auditorium, Block C, Galgotias University, Plot No. 2, Sector 17-A, Yamuna Expressway, Opposite Buddh International Circuit, Greater Noida, Gautam Buddha Nagar, Uttar Pradesh (India)**. Greater Noida is a very beautiful, lush green, well-planned, and developed city of the National Capital Region. The venue is nearly 58 K.m. from Indira Gandhi International Airport (T-3), 48 K.m. from New Delhi Railway Station, 50 K.m. from Old Delhi Railway Station, 40 K.m. from Nizamuddin Railway Station Delhi, and 12 km from Pari Chowk Bus Stand and Metro Stand, Greater Noida. The University has two well-developed & modern Auditoriums which have around 280 and 150 seats. It has also many well-decorated open and covered space which is meant for serving food for the participating delegates as well as for displaying Stalls and Exhibitions. **The Organizers will provide transport (pick up around 9.00 a.m. and drop off at 5.30 p.m.) to all delegates from Pari Chowk, Greater Noida (Bus Stand / Metro Stand) and their hotels to the venue of the event (Galgotias University).**
